

We are a 5-minute walk from both the Lafarge and Lincoln SkyTrain stations, and on multiple traffic routes

1. Recommended parking

The most reliable option is the Coquitlam Centre Parkade on the north side near Lincoln Station. This parkade offers up to four hours of free parking and is approximately a 5-minute walk to the clinic.

- There are only six visitor stalls, and availability is not guaranteed.

B. Larger parkade is located on the second floor and is accessed via the alley beside the adjacent building.
